[Primeira Parte]

Cadd9 Gadd9
I remember when I met you just before September
Dadd9 Em
You were dancing in the street rocking

That pink and leather
Cadd9 Gadd9
Begged my friend for your number

I bet you don't remember
Dadd9 Em
That's how we began

Cadd9
I pursued you for a year
Gadd9
I would have waited longer
Dadd9 Em
I knew ultimately it would make

The feeling stronger
Cadd9 Gadd9
That first time I kissed you
Dadd9

I could look in the mirror
Em
And like who I was (I liked who I was)

[Pré-Refrão]

Cadd9 Gadd9
I could never wait for the weekends
Dadd9
When you would come over
Em
'Cause that's when I'd see you again
Cadd9 Gadd9
You're all my strength and my weakness
Dadd9
You battle my demons
Em
You're still undefeated

[Refrão]

Cadd9
Sometimes I get a little bit jaded
Gadd9
Too much pressure just to make it
Dadd9
You smile when I'm angry and I hate it
Em
But I'll still love you for the rest of my life
Cadd9 Gadd9
My crush on you has never faded
Dadd9
Let's go back to bed until we break it
Em
I'm gonna love you for the rest of my life

[Ponte]

Cadd9 Gadd9
Ooh
Dadd9
If you wanted to
Em

I'd start a family with you

[Segunda Parte]

Cadd9 Gadd9
I remember being foolish when I met your mother
Dadd9 Em
'Cause she had that Irish charm right

Then I knew I'd love her
Cadd9
That's where you got your heart
Gadd9
When we got back to the car
Dadd9
I knew you were the one
Em
(I knew I wanted you beside me)
