

# James Arthur - Smoke Clouds

Tom: C

Em  
Look no farther than the father's who go farther than they should

Am7  
To the point where we're surrounded by the scars behind their hoods

Em Am7  
and who no no is gonna teach them wrong from right?

who's gonna tell them it's alright?

B Am7  
pass the just (?) cigarette

B Am7  
take these brain cells out my head

B Am7  
fill my lungs, drain my heart

Chorus

Em Am7  
'cause this smoke cloud's giving me shelter

Dm  
and I feel much better

B  
and demons wave the white flags for me

Em Am7  
'til my bones keep pleading to walk out

Dm  
from all of this fall out

B  
but there's no way that I could leave

C  
so I don't leave

B  
turn the bitterness to sweet

Am7 B  
I need to find a new release

Em  
so I'm trading blues for green

Am7 Dm  
hey no no no no

B  
oh no no no no no

Em  
Now I'm a simple man I don't even have a phone

Am7  
If I did I wouldn't pick it up I want to be alone

Em  
I don't trust anyone in this one-track town

Am7  
If I walk (?) then my eyes fall down

Em Am7  
Who is gonna teach them wrong from right?

Am7  
Who's gonna tell them it's alright?

B Am7  
just pass the just (?) cigarette

B Am7  
take these brain cells out my head

B Am7  
fill my lungs, drain my heart

Chorus

Em Am7  
'cause this smoke cloud's giving me shelter

Dm  
and I feel much better

B  
and demons wave the white flags for me

Em Am7  
'til my bones keep pleading to walk out

Dm  
from all of this fall out

B  
but there's no way that I could leave

so I don't leave

B  
turn the bitterness to sweet

Am7 B  
I need to find a new release

so I'm trading blues for green

Am7  
Yeah

Dm  
Oh I'm trading blues for green

B  
and demons wave the white flags for me

Em Am7  
'til my bones keep pleading to walk out

from all of this fall out
