

James Arthur - Smoke Clouds

Tom: C

Em
Look no farther than the father's who go farther than they should

Am7
To the point where we're surrounded by the scars behind their hoods

Em Am7
and who no no is gonna teach them wrong from right?

who's gonna tell them it's alright?

B Am7
pass the just (?) cigarette

B Am7
take these brain cells out my head

B Am7
fill my lungs, drain my heart

Chorus

Em Am7
'cause this smoke cloud's giving me shelter

Dm
and I feel much better

B
and demons wave the white flags for me

Em Am7
'til my bones keep pleading to walk out

Dm
from all of this fall out

B
but there's no way that I could leave

C
so I don't leave

B
turn the bitterness to sweet

Am7 B
I need to find a new release

Em
so I'm trading blues for green

Am7 Dm
hey no no no no

B
oh no no no no no

Em
Now I'm a simple man I don't even have a phone

Am7
If I did I wouldn't pick it up I want to be alone

Em
I don't trust anyone in this one-track town

Am7
If I walk (?) then my eyes fall down

Em Am7
Who is gonna teach them wrong from right?
