Tom: **Ab**

(forma dos acordes no tom de **G**)
Capostrate na 1ª casa

[Primeira Parte]

Em
I wonder, maybe they'd never find me
G
I've been waitin' such a long, long, long time to feel it
Em
Swallowed by the waters around me
G
Though I took so many wrong, wrong, wrong turns to see it,
woah

[Pré-Refrão]

D
But I dance through the blisters at night
Em
And I laughed 'til I cried and cried and
C
I ran 'til my feet couldn't run no more (no more, no more)
D
And I sat 'til my lungs were burnin'
Em
'Til I know I'm alive, alive, yeah
C
I'll sit 'til I can't hear words no more

[Refrão]

Em
Suddenly the sun comes up
G **C**
And I feel my love floodin' back again, yeah
Em
Until the sun goes up
G **C**
And I feel my love comin' up again
Em
Suddenly the sun comes up
G
And the dark is gone
C
We made it to the dawn

And I don't miss you anymore
Em
When the sun comes up
G **C**

I can feel my love comin' back again

[Segunda Parte]

Em
It wasn't easy tryin' to run with these handcuffs
G
I had to sleep through such a cold, cold, cold night to see it
Em
Green flashes hit me right where I'm standing
G
Sunlight cut into your bones, bones, bones, started to heal it

[Pré-Refrão]
