

# James Arthur - Wreking Ball

Tom: G

<sup>Em</sup>  
We clawed, we chained our hearts in vain  
<sup>D</sup>  
We jumped never asking why  
<sup>Em</sup>  
We kissed, I fell under your spell  
<sup>D</sup>  
A love no one could deny  
  
<sup>C</sup>  
Don't you ever say I just walked away  
<sup>G</sup>  
I will always want you  
<sup>C</sup>  
I can't live a lie, running for my life  
<sup>G</sup>  
I will always want you

<sup>G</sup>  
I came in like a wrecking ball  
<sup>Em</sup>  
I never hit so hard in love  
<sup>G</sup>  
All I wanted was to break your walls  
<sup>Em</sup>  
All you ever did was wreck me  
<sup>Em</sup>  
Yeah, you, you wreck me

<sup>Em</sup>  
I put you high up in the sky  
<sup>D</sup>  
And now, you're not coming down  
<sup>Em</sup>  
It slowly turned, you let me burn  
<sup>D</sup>  
And now, we're ashes on the ground

<sup>C</sup>  
Don't you ever say I just walked away  
<sup>G</sup>  
I will always want you  
<sup>C</sup>  
I can't live a lie, running for my life  
<sup>G</sup>  
I will always want you

<sup>G</sup>  
I came in like a wrecking ball  
<sup>Em</sup>  
I never hit so hard in love  
<sup>G</sup>

All I wanted was to break your walls  
<sup>Em</sup>  
All you ever did was wreck me

<sup>G</sup>  
I came in like a wrecking ball  
<sup>Em</sup>  
I never hit so hard in love  
<sup>G</sup>  
All I wanted was to break your walls  
<sup>Em</sup>  
All you ever did was wreck me  
<sup>Em</sup>  
Yeah, you, you wreck me

<sup>C</sup>  
I never meant to start a war  
<sup>G</sup>  
I just wanted you to let me in  
<sup>D</sup>  
And instead of using force  
<sup>C</sup>  
I guess I should've let you win  
<sup>Em</sup>  
I never meant to start a war  
<sup>G</sup>  
I just wanted you to let me in  
<sup>D7</sup>  
I guess I should've let you win

<sup>C</sup>  
Don't you ever say I just walked away  
<sup>G</sup>  
I will always want you

<sup>G</sup>  
I came in like a wrecking ball  
<sup>Em</sup>  
I never hit so hard in love  
<sup>G</sup>  
All I wanted was to break your walls  
<sup>Em</sup>  
All you ever did was wreck me

<sup>G</sup>  
I came in like a wrecking ball  
<sup>Em</sup>  
I never hit so hard in love  
<sup>G</sup>  
All I wanted was to break your walls  
<sup>Em</sup>  
All you ever did was wreck me  
<sup>Em</sup>  
Yeah, you, you wreck me
