

# James Bay - Heavy Handed

Tom: C

F C F C

It's only getting harder

Talking to you without falling down

And this house keeps getting darker

We used to love, now all we do is shout

Am  
If we're cutting any corners

C  
There's still a chance to make it right

A  
So let's put our heads together

F  
Before we lose our mind

C  
Have I been holding on too strong?

F  
Maybe I'm coming off all wrong

C  
Is it our heavy handed love

G  
Keeping us from moving on?

C G

F  
Feels like I'm treading the water

F  
Trying to keep my head above the line

C

I hear the sound of you get softer

C  
Lately you've been just so hard to find

F  
And there's nothing I want more now

F  
Than to say the perfect words

C  
I try to make it better

C  
But the trying only hurts

C  
Have I been holding on too strong?

F  
Maybe I'm coming off all wrong

C  
Is it our heavy handed love

G  
Keeping us from moving on?

C B D F

Am  
I'm not ready to go tonight

F  
I'm not ready to go tonight

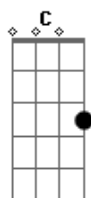

C  
Have I been holding on too strong?

F  
Maybe I'm coming off all wrong

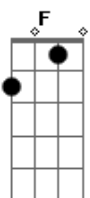

C  
Is it our heavy handed love

G  
Keeping us from moving on?
