Am  
Sometimes I'm beaten

Sometimes I'm broken  
'Cause sometimes this is nothing but smoke  
Is there a secret?  
Is there a code?  
Can we make it better?  
'Cause I'm losing hope

Am Tell me how to be in this world  
Tell me how to breathe in and feel no hurt  
Tell me how could I believe in something  
I believe in us

Am After the wreckage  
Am After the dust  
I stood hither how I still the rush  
Over the rise, above all the noise  
Throughout world, still hear your voice

Am Tell me how to be in this world

Tell me how to breathe in and feel no hurt

Tell me how could I believe in something  
I believe in us

Am Tell me how to be in this world  
Tell me how to breathe in and feel no hurt  
Tell me how could I believe in something  
I believe in us

F We used to be kids livin just for kicks  
Am In cinema seats learning how to kiss  
C Running through streets that were painted gold  
G We never believed we'd grow up like this

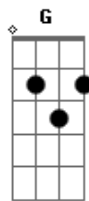

Am Tell me how to be in this world  
Tell me how to breathe in and feel no hurt  
Tell me how could I believe in something  
I believe in us  
Am Tell me how to be in this world  
Tell me how to breathe in and feel no hurt  
Tell me how could I believe in something  
I believe in us
