

# James Bay - Wild Love

Tom: D

Intro: D Bm G G  
A Bm G G

Don't know what to say to you now  
G A Bm D

Standing right in front of you

Don't know how to fade in and out  
A Bm D

Don't know how to play it cool

Losing a little guard, let it down  
A B G

We don't have to think it through

We've got to let go  
D

I wanna give you wild love  
A Bm G

The kind that never slows down

I wanna take you high up  
A Bm G

Let our hearts be the only sound

I wanna go where the lights burn low and you're only mine  
A Bm G Bm

I wanna give you wild love  
A G

Tried to call you, to feel you close  
A Bm D

From a runway in Tokyo

Let's leave the atmosphere, disappear  
A Bm D

There's always something left to lose

I wanna give you wild love  
A Bm G

The kind that never slows down

I wanna take you high up  
A Bm G

Let our hearts be the only sound

I wanna go where the lights burn low and you're only mine  
A Bm G Bm

I wanna give you wild love  
A G

( A Bm G G )  
( A Bm G G )

Let's be reckless, unaffected  
A Bm G

Running out until we're breathless

Let's be hopeful, don't get broken  
A Bm G

And stay caught up in the moment

I wanna give you wild love  
A Bm G

The kind that never slows down

I wanna take you high up  
A Bm G

Let our hearts be the only sound

I wanna go where the lights burn low and you're only mine  
A Bm G Bm

I wanna give you wild love  
A G

Give you wild love  
A Bm

Wild love

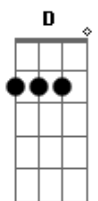

Wild love

Wild love

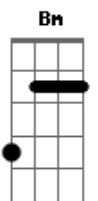

Wild love

Wild love
