

# James Blunt - Chocolate

Tom: C

I was with this girl  
In my bedroom  
She was eating such wild chocolate  
Didn't leave me much shared room  
Its name I couldn't see  
But she gave it to me  
I lost my head  
I started singing  
Only the crumbliest  
Flakiest chocolate yeah  
Taste like chocolate never tasted before

Dm F  
Only the crumbliest  
C  
Flakiest chocolate yeah  
Dm F C  
Taste like chocolate never tasted before  
Dm F  
Then I was gone  
C  
In a world of my own  
Dm F  
Feels like electricity is  
C  
Running through every bone  
Dm F  
My girl and me  
C  
We're living free  
Dm F C  
On the crumbliest milk chocolate in the world  
We were singing  
  
Chorus

## Acordes
