

James Blunt - Cold

Tom: **Eb**

(forma dos acordes no tom de **C**)
Capostrate na 3ª casa

[Primeira Parte]

It's been lonely, trying get your attention
From a thousand miles away
And you know me, always overthinking the worst possibilities

[Pré-Refrão]

Yeah, we both know, in between you and me, there's an ocean
Castaway in a sea and it's frozen
I'm exposed, can't you see, all I need is a little warmth

[Refrão]

Without your arms around me
Without you on my skin
Without you on my body, I'm sorry, I'm sorry
I don't mean to be desperate, or pretend that I'm not torn
But I don't want to let go of the things that keep me warm
Without you I'm just cold

[Segunda Parte]

I built a little boat with a sail from the memories
I've been collecting
And I'll hold out for the wind to blow me
Take me home the whole way, in your direction

[Pré-Refrão]

Yeah, we both know, in between you and me there's an ocean

And I'm just trying to get a little closer
Pull me in, cause I'm here and all I need is little warmth

[Refrão]

Without your arms around me
Without you on my skin
Without you on my body, I'm sorry, I'm sorry
I don't mean to be desperate, or pretend that I'm not torn
But I don't want to let go of the things that keep me warm
Without you I'm just cold
Without you I'm just cold

[Ponte]

And I need a little fire and you're my gasoline.
Light me up, I'm burning, with all these things I feel.
I'll always hold this flame for you
But it's naked on the breeze.
So let me in, don't lock me out or cast me out to sea.

[Refrão]

Without your arms around me
Without you on my skin
Without you on my body, I'm sorry, I'm sorry
I don't mean to be desperate, or pretend that I'm not torn
But I don't want to let go of the things that keep me warm
Without you I'm just cold
Without you I'm just cold
Without you I'm just cold
Without you I'm just cold
