

James Blunt - Cuz I Love You

Tom: F

(intro 2x) Dm Am

I won't laugh at you when you boo-hoo-hoo cuz I love you

I can turn my back on the things you lack cuz I love you

I just like the things you do,

Don't you change the things you do

You get me in a spot and the smile you got and I love you

You make me out a clown then you put me down I still love you

I just like the things you do,

Don't you change the things you do

When you bite your lip you're gonna flip your flip but I love you

When we're miles apart you still reach my heart how I love you

I just like the things you do,

Don't you change the things you do,

(break) Dm Am (2x)

Bb Am (2x) (Dm Am)

I won't laugh at you when you boo-hoo-hoo cuz I love you

I can turn my back on the things you lack cuz I love you

I just like the things you do,

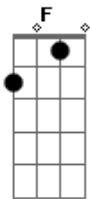

Don't you change the things you do
