If there's any justice in the world
                  D                    A     A7
I would be your man, you would be my girl
Gbm            Gbm7                 A
If I found you first you know it\'s true
                  D                    A     A7
He would be alone and I would be with you, yeah

D               Dbm
When you decide, don't let me down
              Gbm             Gbm7        D
Cause there's nothing to be certain in my life
           Bm
And you've seen a thousand times
             Dbm      Dbm7           Gbm    Gbm7   A   D   A
A7
That there's not much justice in the world

Gbm            Gbm7              A
If there's any justice in your heart
                  D                    A     A7
Your love really changed, ease it in too hard
Gbm           Gbm7             A
Why don't you remember how it feels
                D                   A     A7
Not to give a damn for anyone but me

D               Dbm7
I can't believe you'd be deceived
           Gbm          Gbm7         D
Changing memories from truth to fantasy
             Bm
```

```
When there's nothing left but tears
            Dbm      Dbm7           Gbm    Gbm7
And there's not much justice in the world

D                                        A
Just because he's wrapped around your finger
      Dbm                                Gbm
Don't fool yourself with dreams that might appear
D                                  A
Everytime you stop and trust your feelings
    D                                      Dbm            Dbm7
The truth is out there somewhere, it's just blowing in the
wind

Gbm            Gbm7              A
If there's any justice in the world
                  D                    A     A7
I would be your man, you would be my girl
Gbm            Gbm7                 A
If I found you first you know it's true
                  D                    A     A7
He would be alone and I would be with you, yeah

D               Dbm          Dbm7
When you decide, don't let me down
              Gbm             Gbm7        D
Cause there's nothing to be certain in my life
           Bm
And you've seen a thousand times
             Dbm      Dbm7           Gbm    Gbm7   A   D
That there's not much justice in the world

            Bm
If I should lose the girl you know that
          Dbm      Dbm7           Gbm
There's not much justice in the world
```
