

James Blunt - The Greatest

tom:

D

Too much to say **D**
Too much to lose **G**
I get frustrated thinking 'bout the world **Bm**
I brought you to **A**
It's a battle of time **D**
That I have with you **G**
But don't decide to have the win **Bm**
Or if we'll make it through **A**
I feel like you deserve a chance **D**
To know the truth and to be better than **G**
The ones who came before you only **Bm**
To let pride and money weaken them **A**
[Refrão]

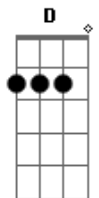

So be the young, the brave, the powerful **D** **G**
'Cause the world is standing waiting **Bm**
For someone to come and change it **A**
Yeah, be the young, the brave, the powerful **D** **G**
'Cause we need a soul to save us **Bm**
Need someone to be the greatest **A**

So many words **D**
Veiling the truth **G**
The others turning and it's time for us to choose **Bm** **A**
And people will try **D**
To take you down too **G**
Bm **A**

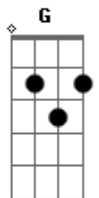

But if I was a betting man, I'd put all my money on you **D**
I know that I have nothing left **G**
To give to you to make you better than **Bm**
The man I failed to be, the friends **A**
And father that I know I should have been **D** **G**
So be the young, the brave, the powerful **Bm**
'Cause the world is standing waiting **A**
For someone to come and change it **D** **G**
Yeah, be the young, the brave, the powerful **Bm**
'Cause we need a soul to save us **A**
Need someone to be the greatest **G**
Nobody knows what to say (oh no) **D**
Nobody shows you the way (oh no) **A**
Some times it's hard to see **A7**
Who you're gonna be

So be the young, the brave, the powerful **D** **G**
'Cause the world is standing waiting **Bm**
For someone to come and change it **A**
Yeah, be the young, the brave, the powerful **D** **G**
'Cause we need a soul to save us **Bm**
Need someone to be the greatest **A**
Be the young, the brave, the powerful **D** **G**
'Cause the world is standing waiting **Bm**
For someone to come and change it **A**
Be the young, the brave, the powerful **D** **G**
'Cause we need a soul to save us **Bm**
Need someone to be the greatest love **A** **D**
