

James Blunt - Turn Me On

```
Tom: E
  (intro) Dbm A Gbm
I'm a boy, she's a girl,
         Gbm
We're all doing this around the world,
Catch her eye and count to five,
           Gbm
and remember everybody dies you know,
I'm not her friend no, not second best,
I'll send her home unless they're both in it together,
          Dbm
and they've both got each other,
                    Gbm
thats my kinda party, that's my kinda party,
I'm a boy, she's a girl,
            Gbm
and we're all doing this around the world,
around the world, around the world, around the world,
Dbm B E
            Gb
Why get complicated?
   Dbm
You know you wanna turn me on,
Dbm B E Gb
Why get complicated?
   Dbm
                          F
You know you wanna turn me on.
```

```
Underwater with someones daughter,
               Gbm
gonna make you a dirty woman,
             Dbm
and when we're both locked together,
and we're both in each other,
thats my kind of party, thats saay of party song
I'm a boy, she's a girl,
            Gbm
and we're all doing this around the world,
around the world, around the world, around the world, so:
Dbm B E
Why get complicated?
   Dbm
You know you wanna turn me on,
Dbm B E Gb
Why get complicated?
  Dbm
                         F
You know you wanna turn me on.
(solo 4x) Dbm E Gb
Dbm B E Gb
Why get complicated?
   Dbm B
You know you wanna turn me on,
Dbm B E Gb
Why get complicated?
   Dbm
You know you wanna turn me on.
