                                                   Where is my mind
Oooooooooooooh
E Dbm Ab
oooooooooooooh
                                                   (E Dbm
                                                                Ab
                                                                       A )
                                                      E Ab A
                            Dbm
                                      Ab
With your feet in the air and your head on the ground
                                                   Way out in the water
E Dbm Ab A
                                                       Am
Try this trick and spin it, yeah
                                                   See it swimmin'
            Dbm
Your head will collapse
                                                                               Dbm
                                                   With your feet in the air and your head on the ground
But there's nothing in it
                                                           Dbm Ab A
                                                   Try this trick and spin it, yeah
           Α
And you'll ask yourself
                                                                Dbm
                                                   Your head will collapse
         Dbm
                                                   But there's nothing in it
Where is my mind
Ab
Where is my mind
                                                   And you'll ask yourself
