

James Morrison - Once When I Was Little

Tom: G

(intro 2x) Em C G D

(verso 1)

Em I was the one who would always jump in first C
Em I didn't think twice to look behind G D
Em Got such a good feeling, just from playing in the dirt G D
Em Once when I was little C G D

(verso 2)

Em We could build a rocket, fly to the moon C G D
Em Leave Tuesday morning, and be back for noon C G D
Em There wasn't nothing, nothing that we couldn't do C G D
Em Oh, once when I was little, mmm, once when I was little C G D

(refrão)

And yeah I could dream more then, I could believe more then C D Em G7
That the world could only get better C Bm D
I could be free more then, I could pretend more then C D Em G7
That this life could only show me good times C Bm D
Once when I was little C

(Em C G D) (2x)

(verso 3)

Em There was a time when I trusted everyone C G D
Em There was no place that I wouldn't go C Bm
C Spend all day on the hillside next to the barley mow D Em F7
Em Oh, once when I was little, yeah once when I was little C G D

(refrão)

Yeah I could dream more then, and I believed more then C D Em G7
That the world would only get better C Bm D7
I could be free more then, and I could pretend more then C D Em G7
That this life could only show me good times C Bm D
Once when I was little Am

...

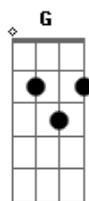

I used to feel so strong D
Even when they tell me, tell me I was wrong F7 E7
That I can't live in a magic world Am
Cause it's time for me to grow up D
And I got to be like the rest of them G
When I know things have been lost, oh F7 E7

(refrão)

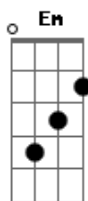

I could pretend more then, and I could believe more then C D Em G7
That the world, it would only get better C Bm D
Whoa, I could believe more then, yes I could C D
And I could pretend more then Em G7
That this life, it could only show me good times C Bm D
Once when I was little C Em C G D

Em So here comes the next one, the next in line C G D
Em Stay as young as you can, for the longest time C G D
D Cause those days flew by like a breeze just passing through
Em Once when I was little. C G
