Tom: C

(intro) C Bm Am F C

C Bm  
I was so lost

Am  
Didn't know what to do with myself

F  
I was my own worst enemy

C  
I was lost and know I needed help

Bm  
Then you came along

Am  
And saw the state I was in

F  
You picked me up where I was down

C  
Show me how to live again

F Em  
I said thank you for pulling me through

Dm C  
I'm a lucky man

F Em  
I didn't know what life was

Dm G  
But now I, I understand

F Em  
This is precious love, precious love

Dm C  
No I can't let it go

F  
It's this precious love

Em Dm C  
And it's teaching me everything I need to know

F Em  
This is precious love, it's precious love

Dm C  
No I can't get enough

F  
Oh I'm down on my knees

Em  
Begging you please

Dm C  
Gimme some more of that stuff

F Em Dm C  
Oh it's love love love love love, precious love (2x)

C Bm Am  
Oh I got so distracted by people all around

F  
Whispering sweet nothings.

C  
Feeling my head with doubt

C  
So I give up

Bm Am  
It didn't take long for me to see

F  
The one thing that I was missing

C  
Was standing in front of me

F  
I took you for granted

Em Dm C  
Thought the grass was greener on the other side

F Em  
I was wrong and it took me so long

Dm G  
For me to finally realize

(refrão)

Em  
I say a prayer

Am  
I say it to you

Em Am  
That my heart will always be true

F E7  
Love won't be the same without you

F Em  
So I say thank you, hmm

Dm C  
I'm a lucky man
