Em D  
It's got my name on it  
G C Em  
And it's just waiting there for me

And it's got her shame on it  
G C Em  
She couldn't say it to my face  
D A  
But I won't waste time placing blame

Refrão:

C G  
I know I'll move on  
B Em D  
I tell myself I'll find me something better  
C G B  
I'll let go and just forget her

She was no good for me  
B Em D  
Deep down I know that's the way it has to be so

How come I still can't open this letter?

I'm all twisted up inside  
Em D  
Well who's gonna pay for it?

If it's not you I guess it's me

You left me with your life

And took mine
