**Em C**  
This boy wants to play  
**G C**  
There's no time left today

It's a shame 'cause he has to go home  
**Em C**  
This boy's got to work  
**G D**  
Got to sweat just to pay what he gets to get left all alone

Bridge:

**Am C**  
Well let's step outside  
**G C**  
Let's go for a ride

Just for a while  
**Am C**  
No we won't get caught  
**G D**  
Well that's what I thought, until we cried

Chorus:

**G B7**  
I'm still here

But it hasn't been easy

I'm sure that you had your reasons

I'm scared for this emotion

For years I've been holding it down

For years I've been holding it down

Verse 2:

**Em C**  
This girl tries her best everyday  
**G D**  
But it's all gone to waste 'cause there's no one around  
**Em C**  
This girl she can draw she can paint  
**G**

Likes to dance she can skate

**D**  
Now she don't make a sound

Bridge:

**Am C**  
We'll play in the park  
**G D**  
'Till it's too dark for us to see  
**Am C**  
Well we'll make our way home  
**G**  
With mud on our clothes  
**D**  
She won't be pleased

Chorus:

**G B7**  
I'm still here  
**B7**  
But it hasn't been easy  
**Em Cm**  
I'm sure that you had your reasons  
**G B7**  
I'm scared for this emotion  
**C A**  
For years I've been holding it down  
**G B7**  
And I, love to forgive and forget  
**Em Cm**  
So I, try to put all this behind us  
**G B7**  
Just, know that my arms are wide open  
**C A Cm**  
The older I get, the more that I know

**Cm**  
Well it's time to let this go

**D**  
I got to let it go (x4)

[Play Chorus]

**G B7**  
And I, love to forgive and forget  
**Em Cm**  
So I, try to put all this behind us  
**G B7**  
Just, know that my arms are wide open  
**C A Cm**  
The older I get, the more that I know

**Cm G**  
Well it's time to let this go
