

James Taylor - Another Day

Tom: E

Verso:

Wake up suzy
Put your shoes on
Walk with me into this light
Finally this morning
I'm feeling whole again
It was a hell of a night

Ponte:

Just to be with you by my side
Just to have you near in my sight
Just to walk a while in this light
Just to know that life goes on

Verso:

Wake up suzy
Put your shoes on
Walk with me into this light

Another night has gone
Life goes on
Another dawn is breaking
