Verse) (do verse chords)

Long ago I hear the song that lover sing to me  
Through the day with each new phrase I hummed that melody  
And all along I love the song  
But I never learn it through ah

But since the day you came along I've saved it just for you

Bm (hold)  
I can do

(verse do verse chords)

Now you see me  
Now you don't  
Watch me dive below  
Deep down in your love lake  
Were sweet fish come and go  
I might sink and I might drown  
But death don't mean a thing  
Coz life continue right or wrong

AM7 Bm pause  
I've learned form you
