

# James Taylor - Hello Old Friend

Tom: **E**      too long a time      since I      crossed that  
vast      last

Released 1974.

Paris' rooftops were lovely to see.  
Switzerland's vertical landscape  
crossed my mind's eye just now.  
Canada's shoreline has been calling out to me,  
but it's been too long a time  
since last I crossed that vast Nantucket sound.

Hello old friend, welcome me home again.  
Well, I've been away but that's all over now.  
Say I can stay for October, now, stay a while and play.

Little dog David, I must look like a fool.  
I should've remembered you'd be forgetting my smell, well.  
Give me a week or two to recapture my cool,  
I've got stories to tell  
about how I snatched the devil's catch  
and out ran the hounds of hell.

Hello old friend, welcome me home again.  
Well, I've been away but that's all over now.  
Say I can stay for October, now, stay a while and see.

Hello old friend, welcome me home again.  
Well, I've been away but that's all over now.  
Isn't it nice to be home again, over here it's clear.  
Hello, old friend.
