

# James Taylor - If I Keep My Heart Out Of Sight

Tom: A

If I keep on talking now  
 I'd only start repeating myself  
 And all I can say is  
 I love you, I love you  
 I love you, I love you  
 If I slip and tip my hat,  
 I'm certain to scare you away  
 And what would I say?  
 I'd be hurtin', I'm certain  
 I'd be a fool to let you know  
 That you're the one,

The fool who jumped the gun,  
 Cause I've been advised by other guys  
 You've left behind,  
 Your goodbyes are somewhat unrefined  
 If I play my role just right,  
 Then tonight could be my lucky night,  
 And you could be mine?  
 If I present it to you,  
 With the flower in the moonlight  
 Oh, shiny and new,  
 Where you couldn't say no tonight  
 If I keep my heart out of sight? (end)
