

James Taylor - Something in the way she moves

Tom: F
Intro: C F (4X)

C Gm C
Something in the way she moves,
Gm F Bb C (Riff1)
or looks my way, or calls my name
Gm Bb Eb F (Riff2)
that seems to leave this troubled world behind.
C Gm C
And if I'm feeling down and blue
Gm F Bb C (Riff1)
or troubled by some foolish game,
Gm Bb E C (Riff1)
she always seems to make me change my mind..

C Gm F Bb C (Riff1)
And I feel fine anytime she's around me now,
Am Dm G7sus4 G7
she's around me now almost all the time.
C Gm F Bb C (Riff1)
And if I'm well you can tell she's been with me now.
Am Dm G7sus4 G7
She's been with me now quite a long, long time
Dm G C Bb F C (Riff3)
and I feel fine.

F F
Every now and then
Bb Eb F
the things I lean on lose their meaning
Bb Eb F
and I find myself careening
F Bb Gm C7sus4 C7
in places where I should not let me go.

F F
She has the power to go
Bb Eb F
where no one else can find me
Bb Eb F
Yes, and to silently remind me
Bb Eb F C Dm G
of the happiness and the good times that I know,
Dm G
But I say I just got to go then.

C Gm C
It isn't what she's got to say
Gm F Bb C (Riff1)
but how she thinks and where she's been.
Gm Bb Eb F (Riff2)
To me, the words are nice, the way they sound.
C Gm C
I like to hear them best that way,
Gm F Bb C (Riff1)
it doesn't much matter what they mean.
Gm Bb Eb C (Riff1)
she says them mostly just to calm me down

C Gm F Bb C (Riff1)
And I feel fine anytime she's around me now,
Am Dm G7sus4 G7
she's around me now almost all the time.
C Gm F Bb C (Riff1)
And if I'm well you can tell she's been with me now.
Am Dm G7sus4 G7
She's been with me now quite a long - long - time
Dm G C Bb F C (Riff3)
Yes and I feel fine.
