

James Taylor - There We Are

Tom: Eb

C
Listen to me and I'll sing you a song
Bb7 **F** **E**
and the time will go by till you never know where it's gone
Talk to me and I'll tell you my life story
D **F** **G**
Walk with me and I'll tell you my dreams of glory
Eb
There we are
Gm **F** **C** **C** **Gm** **F** **G**
Walking hand in hand, somewhere on the sand
F **Em** **A7** **F** **Gb**
at the end of the land and the edge of the shining sea
C
Drifting through time and space on the face of
Bb7 **F** **E** **D**
a little blue ball falling around the sun
One in a million billion twinkling lights shining out for no
one
F **G**
in the middle of the night
Eb
Here we are
Gm **F** **C** **C** **Gm** **F** **G**

sparks in the darkness, speaking of our love
F **Em** **A7** **F** **Gb** **G** **Ab**
burning down forever and forever

A **G** **D** **F**
Oh I don't know if I told you but you hold my heart in your
hand
C **G** **F**
And I found out something about you;
Bb7 **F** **E** **F** **Gb**
baby, without you, I'm a lonely man
C
So though I never say that I love you,
Bb7 **F** **E**
I love you, darling I do, Carly I do love you
And though we are as nothing to the stars that shine above
D **F** **G**
You are my universe; you are my love
Eb
Here we are
Gm **F** **C** **C** **Gm** **F** **G**
like children forever, taking care of one another
F **Em** **A7** **F**
While the world goes on without us all around us
(**F** **Gb** **G** **Ab** **A** **Bb** **B** **C**)
