

James TW - Hopeless Romantics

tom:

Intro: F G Am C G

[Primeira Parte]

Don't hold your breath
I don't think we got much time left
We tried our best
Maybe now we lay this to rest
The hope we had
Has fallen through our hands like sand
Do you ever think we had a chance
Now I see it when I'm looking back

[Refrão]

We were hopeless romantics
How did this happen
Baby, our love was beautiful
Now it's tragic

We were hopeless romantics
But I can't imagine
Falling in love with anybody else
Anybody else

[Segunda Parte]

One last time
I wanna feel your skin touching mine
When we say goodbye
I don't wanna see you cry or put up a fight

All I ask
Is you remember all the times we had
Hope the memories they make you laugh
And you see it when you're looking back

[Refrão]

We were hopeless romantics

How did this happen
Baby, our love was beautiful
Now it's tragic
We were hopeless romantics
But I can't imagine
Falling in love with anybody else
Anybody else

[Ponte]

We put our all in
But now we've fallen
We didn't know when to call it
Now we're touching down
We put our all in

But now we've fallen
It makes sense to me now

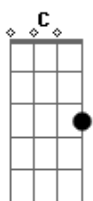

[Refrão]

We were hopeless romantics
How did this happen
Baby, our love was beautiful
Now it's tragic
We were hopeless romantics
But I can't imagine
You falling in love with anybody else
We were hopeless romantics
How did this happen
Baby, our love was beautiful
Now it's tragic
We were hopeless romantics
But I can't imagine
Falling in love with anybody else

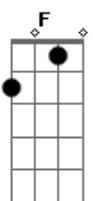

[Final]

Don't hold your breath
I don't think we got much time left
