

# James TW - Speechless

tom:

Intro: C G Am G F

[Primeira Parte]

Everybody's here

Everyone we love

The flowers are arranged, they're handing out

Champagne

Waiting just for us

[Segunda Parte]

And all that I can see

As I walk into the room

Are all the smiling faces as they take their places

Waiting just for you

[Pré-Refrão]

And I feel kinda nervous

As the music starts the service

And I turn around

[Refrão]

You should see the way you're looking right now

As you're walking down the aisle in your white

Gown

I can't breathe, I can't speak, can't believe what

I'm seeing

I'm speechless

Holding back the tears in my eyes

You look so beautiful by my side

I can't breathe, I can't speak, can't believe what

I'm seeing

I'm speechless

( C )

[Terceira Parte]

Now we're finally here

After all that we've been through

So, let's raise a glass to future and to past

Here's to me and you

[Pré-Refrão]

As our song starts playing

And both our hearts are racing

I spin you around

[Refrão]

You should see the way you're looking right now

As you're walking down the aisle in your white Gown

I can't breathe, I can't speak, can't believe what I'm seeing

I'm speechless

Holding back the tears in my eyes

You look so beautiful by my side

I can't breathe, I can't speak, can't believe what

I'm seeing

I'm speechless

[Pós-Refrão]

I'm speechless

I'm speechless

[Final]

You should see the way you're looking right now

As I stare into your eyes, reading my vows

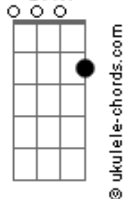

I can't breathe, I can't speak, can't believe what

I'm seeing

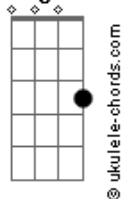

I'm speechless
