

## James TW - When You Love Someone

```
Tom: G
                                                             'cause you'll only be away on the weekends
  [Intro]
                                                             [Pre-Chorus]
Em D G C x2
[Verse]
                                                             it don't make sense, but nevertheless
                                                             you gotta believe us, it's all for the best
         Em
come home early after class
                                                             it don't make sense
don't be hanging round the back of the schoolyard
                                                             It don't add up
i've been called up by a teacher
                                                             We'll always love you no matter what
she says she can't even reach you cause you're so far
                                                             [Chorus]
          Em
you've been talking with your fist
                                   Fm
                                                                 Em
                                                                         D
                                                             sometimes moms and dads fall out of love
we didn't raise you up like this, now did we
             Em
                                                                   Em D G
                                                             sometimes two homes are better than one
there have been changes in this house
                                                                            Em
things that you don't know about in this family
                                                             some things you can't tell your sister 'cause she's still too
[Pre-Chorus]
                                                             young
                                                                        Αm
                                                             yeah you'll understand
it don't make sense, but nevertheless
                                                                         Em
                                                             when you love someone.
you gotta believe us, it's all for the best
                                                             [Bridge]
it don't make sense
the way things go
                                                             come home early after class
                                                             don't be hanging round the back of the schoolyard
son you should know
[Chorus]
                                                             If we are crying on the coach
                                                             Don't let it freak you out it has been so hard
sometimes moms and dads fall out of love
                                                             [Chorus]
        Em D
sometimes two homes are better than one
                                                             sometimes moms and dads fall out of love
some things you can't tell your sister 'cause she's still too
                                                                     Fm D
                                                                                  G
                                                             sometimes the best intentions just ain't enough
yeah you'll understand
                                                             some things you can't tell your sister 'cause she's still too
            Em
when you love someone.
[Verse]
                                                             yeah you'll understand
                                                                         Em
                                                             when you love someone.
           Em
There ain't no one here to blame
                                                              Fm
                                                                     D
                                                             when you love someone.
nothing's going to change with your old friends
                                                                    D
                                                             when you love someone.
Your room will stay the same
                                                             Fm D G
                                                             when you love someone.
