[Primeira Parte]

[Variação]

Parte 1

Parte 2

I didn't mean to hurt you  
So why'd I let you walk out the door?

You say that you don't know me  
You don't know who I am anymore

But if you knew the truth, then  
Then you wouldn't feel insecure

'Cause if I didn't have you  
I wouldn't have nothing at all

[Pré-Refrão]

Parte 1

Parte 2

I wish you could see yourself through my eyes  
I always forget that you can't read my mind

Parte 2

Parte 3

[Final do Refrão]

As long as I got you and me  
Moving through this world as a two-man team  
I'll always have everything I need  
You don't even realize what you mean

No one could fall for you quite like me

No one could get me so perfectly

You don't even realize

You're all that I need

'Cause I want you and me, you and me

[Segunda Parte]

I know one day we'll look back

Stories on the tip of our tongues

A library full of pages

Remembering when we fell in love

All of the broken hearts and the stupid mistakes

Have got us to where we are, it was worth all the pain

Yeah, we'll look back

We'll look back and laugh
