tom:
 G D
 That mornin' sun made it's way
 C G
 Through the windshield of my Chevrolet

 Whiskey eyes and ashtray breath
 Bb A
 On a chert rock gravel road

 What the hell did I do last night?
 C G
 That's the story of my life
 C G
 Like tryin' to remember words
 Bb A
 To a song nobody wrote
 A G D A
 And it's sad and it's long and can't nobody sing along
 Bb C D Bb C D
 It's a southbound train, it's a whistle in the wind
 Bb A
 Ain't no one there to care where I've been
 C G F D
 I'm hummin' on that lonesome song again
 D
 I took a trip across the country from Montgomery
 G F D

Discovered I'd been wrong for so long

 I thought it was the fame and the glory and the money
 G F D
 But all I've got to show is a damn song
 A G D A
 And it's sad and it's long, can't nobody sing along
 Bb C D Bb C D
 It's a southbound train, it's a whistle in the wind
 Bb A
 There's no one there to sing to in the end
 C G F D
 I'm hummin' on that lonesome song again
 A G D A
 And it's sad and it's long, can't nobody sing along
 Bb C D Bb C D
 It's a southbound train, it's a whistle in the wind
