Tom: F

F7M **Em7**
Hello Innocence
Am **G** **F7M**
Though it seems like we've been friends for years
Em7
I'm finishing
Am **G** **Cm**
How I wish I had never begun
Bb **F**
Though it should be the last one
F7M **Cm**
And it's dragging me down to my knees
Cm
Where I'm begging you please
F7M **G7**
Let me go
F7M **G7**
Don't you know

C **Gm**
I'm all over it now
Eb **F**
And I can't say how glad I am about that
C **Gm**
I'm all over it now
Ab **Cm7** **F7**
Cause I worked and I cursed and I tried
Ab **Cm7** **F7**
And I said I could change and I lied
Ab **Cm7** **F7**
Well there's something still moves me inside //

F7M **Em7**
She's a melody
Am **G** **F7M**
That I've tried to forget but I can't
Em7
It still follows me
Am **G** **Cm**
When I wake in the dead of the night
Bb **F**
And I know that I can't find
F7M **Cm**
That song going round in my head
Cm
Like the last things you said
F7M **G7**
Please don't go
F7M **G7**
You think I know
