```
     Gbm7                        D7
After years of expensive education,
Gbm7                             G7
A car full of books and anticipation
         Gbm7
Em7
I'm an expert on Shakespeare and that's a hell of a lot
       Db7                         C7(#11)
But the world don't need scholars as much as I thought
```

Maybe I'll go travelling for a year
Finding myself, or start a career
Could work the poor, though I'm hungry for fame
We all seem so different but we're just the same

Maybe I'll go to the gym, so I don't get fat
Aren't things more easy, with a tight six pack
Who knows the answers, who do you trust
I can't even seperate love from lust

Maybe I'll move back home and pay off my loans

Working nine to five, answering phones
But don't make me live for Friday nights
Drinking eight pints and getting in fights

Solo: Gbm7 D7 Gbm7 D7

```
             Gbm7                         Em7        A7
I don't want to get up, just let me lie in
Db7                C7(#11)
Leave me alone, I'm a twentysomething
```

```
B7M           Gb7
Maybe I'll just fall in love
 B7M                  Gb7
That could solve it all
   B7M                   Gb7
Philosophers say that that's enough
         D7M              C#7(#9) Db7
There surely must be more
```
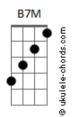

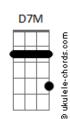

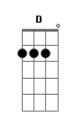

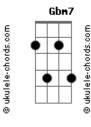

Solo: Gbm7 D7 Gbm7 D7

Love ain't the answer, nor is work
The truth elludes me so much it hurts
But I'm still having fun and I guess that's the key
I'm a twentysomething and I'll keep being me
