

Jamie Cullum - What a Diference a Day Made

Tom: F
Intro: (F Dm Gm C) x3 F Dm Gm

Oh, what a difference a day made there's a rainbow before me

What a difference a day made, twenty four little hours
Brought the sun and the flowers where there use to be rain

My yesterday was blue dear Today (still) I'm a part of you dear
(x2)
My lonely nights are through dear since you said you were mine x2

Skies above can't be stormy since that moment of bliss that thrilling kiss
it's heaven when you find romance on your menu
) what a difference a day made and the difference is (you)
