

# Jamie Grace - You Lead

Tom: **G**

I got waves that are tossing me,  
Crashing all over my beliefs,  
And in all sincerity, lord, I wanna be yours.  
So pull me outta this mess I'm in,  
Cause I know I'm wandering,  
Lead my soul back home again,  
I've always been yours.  
And this world may push may pull  
But your love it never fails.

[chorus]  
You lead, I'll follow, your hands hold my tomorrow.  
Your grip, your grace, you know the way,  
You guide me tenderly.

When you lead, I'll follow,  
Just light the way and I'll go,  
Cause I know what you got for me,  
Is more than I can see,  
So lead me on, on.. on and on..

As a child I heard your voice,  
But as a girl I made my choice,  
There is no other way for me,

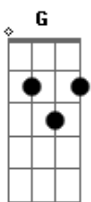

I'm devoted to you.

You're my peace on the heavy days  
,  
You're the warmth of an autumn blaze,  
Your love carries me away, and it's never too soon, nooo..  
And this world may push may pull but your mercy never fails!

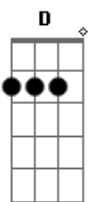

[chorus]  
Sometimes when I wake up,  
I don't wanna rise up outta my bed,  
Too many thoughts in my head,  
Don't wanna be who I used to be,  
Gonna take the back seat and let you lead,  
And iiiiii.. need to stop, need to stop,  
Cause I'm going to fast and iiiiii  
Know my god is still god, and you got my back..

[chorus]  
Iiiii.. need to stop, need to stop,  
Cause I'm going to fast and iiiiii  
Know my god is still god, and you got my back.  
. You got my back..  
I know you got me  
I know you got me  
I know you got me..  
Lead me oooon..
