

# Jamie Lawson - Cold in Ohio

Tom: **Eb**

(com acordes na forma de  
Capotraste na 3ª casa

C)

**C**  
This city's always moving,  
**G**  
Nothing stays still,  
**Am**  
Somebody's always leaving,  
**F**  
Somebody always will.

**C**  
There are airplanes,  
**G**  
Taking off and landing,  
**Am**  
Lovers left behind,  
**F** **G**  
Without understanding.

**F** **C**  
It's cold in Ohio,  
**G** **F**  
So I'm not going there,  
**F** **C**  
It's cold in Vostok station,  
**G**  
In the middle of nowhere,  
**F** **C**  
It's cold in New York city,  
**G** **Am -> G**  
With that north wind blowing through,  
**F** **C**  
It's cold in Ohio,  
**G** **F**  
But it's warm here next you.

**C**  
I understand your worrying,  
**G**  
I know the feeling,  
**Am**  
Love is always shifting sand,  
**F**  
It's not much to believe in.

**C**  
These are the times we're living in,

**Em**  
This is the way of the world now,  
**Am** **F**  
I'm not giving in and you,  
**G**  
You don't know how.

**F** **C**  
It's cold in Ohio,  
**G** **F**  
So I'm not going there,  
**F** **C**  
It's cold in Vostok station,  
**G**  
In the middle of nowhere,  
**F** **C**  
It's cold in New York city,  
**G** **Am -> G**  
With that north wind blowing through,  
**F** **C**  
It's cold in Ohio,  
**G** **F**  
But it's warm here next you.

**G** -> **Am**  
Let the snow fall down,  
**G** -> **Am** **F**  
Let the wind blow through,  
**C** **F**  
It doesn't matter now,  
**G**  
It doesn't matter now.

**F** **C**  
It's cold in Ohio,  
**G** **F**  
So I'm not going there,  
**F** **C**  
It's cold in Vostok station,  
**G**  
Out in the middle of nowhere,  
**F** **C**  
It's cold in New York city,  
**G** **Am -> G**  
With that north wind blowing through,  
**F** **C**  
It's cold in Ohio,  
**G** **F**  
But it's warm here next you.
