

Jamiroquai - Blue Skies

Tom: **G**

So these are the figurines

Acting out all the scenes before my eyes

I thought I knew them all by name

But they started looking much the same

And its no surprise

But I don't wanna listen

Too much

How can I give up on all the days I know I've won

There is nothing but rainbows

I believe in the shadows

Now honey

I thought I might be dropping out

Now I am gonna work it out

I'm gonna work with me

I am running but not enough to lose her

Then I'm rolling like a rusty ship on a stormy sea

You know that people are saying

Strange things

Talk to the hand 'cause I know you think the face is gone

I don't wanna listen Too much

I am not gonna give up on all the days I know I've won

There is nothing but blue sky

There is nothing but blue sky

Nothings gonna stop me now

I am skimming like a skipping stone on a silver lake

I take it when the chips are down

But to play the perfect happy clown you gotta make a mistake

Then people are saying

Strange things

And I don't wanna listen

Too much yeah

Nothing but blue sky

Blue sky

How can I tell you I know this won't be the last song

I don't wanna listen Too much

Not gonna give up on the days that I know I've won

That's where I am going

'Cause there is nothing, nothing but blue sky

That's where I am going

Nothing but rainbows falling down on me

There will be nothing but blue sky

Can't you see

That's where I am going

Got to believe me

That's where I am going

That's where I am going

That's where I am going

Acordes
