

# Jamiroquai - Blue Skies

Tom: **G** There is nothing but blue sky

**G**  
So these are the figurines

**Bm**  
Acting out all the scenes before my eyes

**G**  
I thought I knew them all by name

But they started looking much the same

**Bm**  
And its no surprise

**Am**  
But I don't wanna listen

**D Eb**  
Too much

**Em Bm Am**  
How can I give up on all the days I know I've won

**Am**  
There is nothing but rainbows

**D**  
I believe in the shadows

Now honey

**G**  
I thought I might be dropping out

Now I am gonna work it out

**Bm**  
I'm gonna work with me

**G**  
I am running but not enough to lose her

**Bm**  
Then I'm rolling like a rusty ship on a stormy sea

**Am**  
You know that people are saying

**D Eb**  
Strange things

**Em Bm Am**  
Talk to the hand 'cause I know you think the face is gone

**Am D Eb**  
I don't wanna listen Too much

**Em Bm Am**  
I am not gonna give up on all the days I know I've won

**Am**  
There is nothing but blue sky
