

Jamiroquai - Cloud 9

Tom: C

Am G Dm Am
You pick me up, then you put me down
Am G Dm Am
Can't seem to find my way around ya
Am G Dm Am
See what you think, when you don't think it now
Am G Dm Am
You lost my love but someone found it
Am G Dm Am
Now when the rain falls upon my head
Am G Dm Am
I don't think of you that much at all
Am G Dm Am
Just one thing seemed to make you care
Am G Dm Am
Who's gonna drive and take you home?

A7 Dm F A
Only a fool could walk away from me this time
A7 Dm F A
I look up to heaven, every star I see is mine
A7 Dm F A
Only a fool could walk away from me this time
A7 Dm F A
I'm walking on air, and every cloud is cloud 9

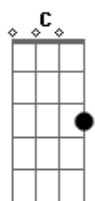

Am G Dm Am
You get your kicks playing stupid tricks
Am G Dm Am
But I've found another crush you got me now
Am G Dm Am
Game, set and match, don't seem to be no catch
Am G Dm Am
I don't think she'll drive me to the wall
Am G Dm Am
We go out at night, and the world starts feeling right
Am G Dm Am
She don't cary about Hollywood

Am G Dm Am
I know you don't believe it, but this time I really mean it
Am G Dm
I hope it's clearly understood
