I must've died and gone to heaven  
Cos it was a quarter past eleven  
On a Saturday in nineteen eighty nine

Right across from where I'm standing  
On the dance floor she was landing  
It was clear that she was from another time  
Like some baby Barbarella  
With the stars as her umbrella  
She asked me if I'd like to magnetise  
Do I have to go star trekking?  
Cos it's you I should be checking  
So she lazer beamed me with her cosmic eyes

[Refrão]

Abm Gbm B7 Dbm  
She's just a cosmic girl  
From another galaxy  
My heart's at zero gravity

She's from a cosmic world  
Putting me in ecstasy  
Transmitting on my frequency  
She's cosmic

[Segunda Parte]

I'm scanning all my radars cos she said she's from a quasar  
Forty thousand million light years away  
It's a distant solar system  
I tried to phone but they don't list 'em  
So I asked her for a number all the same

Em  
She said, step in my transporter  
so I can teleport ya'  
All around my heavenly body  
This could be a close encounter  
I should take care not to flounder  
Sends me into hyperspace, when I see her pretty face
