

# Jandê - Nothing to Compare

tom:

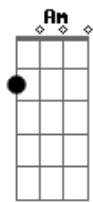

Intro: Am G Am G  
 Am G  
 I find it so hard to leave you  
 Am G  
 sometimes is harder to love you  
 Am G  
 and if you wanna go just do it  
 Am G  
 but you can stay if you want  
 Am G  
 I'll just try to make things happen  
 Am G

I'll try if you give me a chance  
 Am G  
 I could make things right again  
 Am G  
 do you accept the change?

( Am G Am G )

So what just happened to the always?  
 Am G  
 I think there's nothing to compare  
 Am G  
 I think maybe there's too much  
 G  
 or maybe we're not just there
