

## Jane Monheit - It Might As Well Be Spring

```
Tom: D
                                 Intro: A7 D D Em7 Em G D
                                                                                            D D
                                                                                                                                                                                                                                 Em7 Em
 I'm as restless as a willow
                                                                                                                                                                                                                                                                                                                                                                   in a windstorm
                                                                                    D D
                                                                                                                                                                                                                                                                                    D7M
                                                                                                                                                                                                                                                                                                                                                                             D7
 I'm as jumpy % \left( \left( 1\right) \right) =\left( 1\right) \left( 1\right)
                                                                                                                            Α7
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          Α7
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             Gb7
                                           G
                                                                                                                                                                                                                                                                                                               Bm Bm7
 B7 G A7
I'd say that I had Spring fever, but I know it isn't Spring A7 D D Em7 Em G D
 \ensuremath{\mathbf{I}} am starryeyed and vaguely discontented
                                             D D
                                                                                                                                                                                                                                                                                                                                       D7M
 Like a nightingale without a song to sing
                                           Ğ Ğ
                                                               Α7
 Oh, why should I have Spring fever, when it isn't even Spring
                                                                                                                                                                                                                                                                                Gbm
                                                                                                                                                                                                                                                                                                                                                                                                        Bm7
```

I keep wishing I were somewhere 6  A7  A7/13-	lse D		
Walking down a strange new street
