

Janel Drewis - Where Did You Sleep Last Night (in The Pines)

Tom: **Db**

(com acordes na forma de **C**)

Capostrate na 1ª casa

Little girl, little girl, don't lie to me

Tell me where did you sleep last night?

In the pines, in the pines, where the sun never shines

Will shiver the whole night through

My daddy was a railroad man

Killed a mile and a half from here

His head, was found, in a driver's wheel

His body was never found

In the pines, in the pines, where the sun never shines
Will shiver the whole night through

You've caused me to weep, you've caused me to mourn
You caused me to lose my home

Little girl, little girl, where'd you sleep last night?
Not even your mother knows

In the pines, in the pines, where the sun never shines
Will shiver when the cold winds blow
