Tom: G

The way you are now <sup>G</sup>  
 You're never gonna make the bus, <sup>Bm</sup> even though <sup>A</sup>  
 Everybody's so impressed <sup>A7</sup>  
 You've got "Do androids dream of electric sheep?" under your <sup>A B C</sup> pillow <sup>D</sup>  
 Oh oh oh <sup>Bb</sup>  
 I saw you spit on London just like you were Peter Pan <sup>C</sup>  
 The way you are now <sup>G</sup>  
 You're never gonna make it in my kitchen, <sup>Bm</sup> still <sup>A7</sup>  
 Everybody's so excited <sup>A B C D</sup>  
 Last I was here I was convinced I was your favorite warrior <sup>Bb</sup>  
 Oh oh oh <sup>A</sup>  
 Oh oh oh <sup>Em D G Cm B</sup>

Refrão:

I've got a terrible fix-ation <sup>G</sup>  
 Can't get it off my mind <sup>D Em</sup>  
 Don't want to really get to know it better <sup>C</sup>  
 Want to keep it in the realm of fantasy <sup>Eb</sup>  
 You wanted me just for a holiday <sup>G</sup>  
 Or was it to pad your resume? <sup>Em</sup>  
 What do you give me but unwanted breakthroughs <sup>Eb</sup>

Strange how certain details <sup>Cm</sup> subvert everything <sup>A</sup>

I've got a terrible fixation <sup>G</sup>  
 Can't get it off my mind <sup>D</sup>  
 Don't really want to know it better <sup>Em</sup>  
 Want to keep it in the realm of fantasy <sup>Cm</sup>  
 O-M-G W-T-T <sup>A</sup>  
 Aww girl we been through hell about it! <sup>A7</sup> Then I see our <sup>A B C</sup> friends and  
 Everybody's so excited <sup>D</sup>  
 I'm standing over you eating juicy fruits till it gets in <sup>Bb</sup> your eye <sup>A</sup>  
 Oh oh oh <sup>Em D G Cm B</sup>
