

# Jasmine Thompson - I Try

Tom: **Gb**

(com acordes na forma de **F** )  
 Capotraste na 1ª casa

**F** **C**  
 Games, changes and fears

**Gm**  
 When will they go from here?

**F** **Gm**  
 When will they stop?

**F** **C**  
 I believe that fate has brought us here

**Gm**  
 And we should be together, babe

**Dm** **Gm**  
 But we're not

**Bb** **Am**  
 I play it off but I'm dreaming of you

**Bb** **C**  
 And I'll keep my cool but I'm fiendin'

**F**  
 I try to say goodbye and I choke

**C**  
 I try to walk away and I stumble

**Gm**  
 Though I try to hide it, it's clear

**Bb** **C**  
 My world crumbles when you are not near

**F**  
 Goodbye and I choke

**C**  
 I try to walk away and I stumble

**Gm**  
 Though I try to hide it, it's clear

**Bb** **C**  
 My world crumbles when you are not near

**F** **C**  
 I may appear to be free

**Gm**  
 But I'm just a prisoner

**Bb**  
 Of your love

**F**

And I may seem alright

**C**  
 And smile when you leave

**Gm**  
 But my smiles are just a front

**Bb**  
 Just a front, oh

**Bb** **Am**  
 I play it off but I'm dreaming of you

**Bb** **C**  
 And I'll keep my cool but I'm fiending

**F**  
 I try to say goodbye and I choke

**C**  
 I try to walk away and I stumble

**Gm**  
 Though I try to hide it, it's clear

**Bb** **C**  
 My world crumbles when you are not near

**F**  
 Goodbye and I choke

**C**  
 I try to walk away and I stumble

**Gm**  
 Though I try to hide it, it's clear

**Bb** **C**  
 My world crumbles when you are not near

**F**  
 Goodbye and I choke

**C**  
 I try to walk away and I stumble

**Gm**  
 Though I try to hide it, it's clear

**Bb** **C**  
 My world crumbles when you are not near

**F**  
 Goodbye and I choke

**C**  
 I try to walk away and I stumble

**Gm**  
 Though I try to hide it, it's clear

**Bb** **C**  
 My world crumbles when you are not near
