

Jason Aldean - You Make It Easy

Tom: **D**

(forma dos acordes no tom de **B**)
Capostrate na 3ª casa

Like a rainy Sunday morning makes me wanna
stay in bed, twisted up all day long
You're my inspiration girl you take me places
put the words right into these songs
Stealin' kisses undercover babe
I see forever when I see your face
And I swear God made you for me.

You make it easy
Lovin' up on you
Make it easy
With every little thing you do
You're my sunshine in the darkest days
My better half, my saving grace
You make me who I wanna be
You make it easy

You took off my rough around the edges
Never let it ruffle up your feathers, angel
Yeah I'm down for life you got me wrapped around your

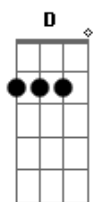

finger and I like it just in case you can't tell.

You make it easy
Lovin' up on you
Make it easy
With every little thing you do
You're my sunshine in the darkest days
My better half, my saving grace
You make me who I wanna be
You make it easy
(**E B Dbm A**)
