

Jason Derulo - In My Head

```
Tom: Bb
                                                            You'll see a side of love you've never known.
                                          G )
(com acordes na forma de
Capostraste na 3ª casa
Em C
                                                            I can see it going down, going down
Everybody's looking for love. Oh. Oh. Em C G
                                                            Ain't that the reason you're at this club. Oh. Oh. Em C G D
                                                            In my head, you fulfill my fantasy.

Em C G D
You ain't gonna find a dance with him. No. Oh.
                                                            You'll be screaming no.
Em C G D
Got a better solution for you girl. Oh. Oh
                                                               Em C G
                                                            In my head, its going down.
                                                                  Em C G D
Just stay with me now. Say the word and well go. 
  \begin{tabular}{ll} Em & C & G & D \end{tabular} 
                                                            In my head, its going down.
                                                            Em C G D

In my head. Yeah. In my head. Oh yeah.
Em C G
Ay-oh. Come on. Ay-oh. Ay-oh. Em C
I can see it going down, going down
                                                           You singing to me baby in my head right now. 
 \mbox{Em} \mbox{C} \mbox{G} \mbox{D}
       Em C
Ay-oh. Ay-oh. Come on.
                                                                    С
In my head, you fulfill my fantasy.

Em C G D
                                                            Shell be screaming out when it all goes down.
You'll be screaming no.
                                                            Em C G
In my head, its going down.
                                                           Ill be your teacher. Ill show you the ropes.

 Em C G D
In my head, its going down.
                                                           You'll see a side of love you've never known.

Em C G D
In my head. Yeah. In my head. Oh yeah.
                                                            I can see it going down, going down
Some dudes know all the right things to say.
                                                            In my head, I see you all over me.

Em C G D
Em C
When it comes down to it, its just a game.
