tom:

Intro: F C Am G

Wha- wha- what did she say

[Refrão]

Mmmm whatcha say

Mmm that you only meant well?

Well of course you didn't

Mmmm whatcha say

Mmmm that it's all for the best?

Of course it is

[Verso]

I was so wrong for so long

Only tryin' to please myself (myself)

Girl, I was caught up in her lust

When I don't really want no one else

So, no I know I should of treated you better

But me and you were meant to last forever

[Ponte]

So let me in (let me in)

Give me another chance (another chance)

To really be your man

Cause when the roof caved in and the truth came out

I just didn't know what to do

But when I become a star we'll be living so large

I'll do anything for you

So tell me girl

[Refrão]
