

Jason Mraz - 1000 Things

Tom: **G**

ooh lululu lei.....

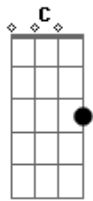

C
I'm overjoyed and I'm overloved
C
I'm feelin lucky like a little boy
C
Who's hiding undercover and looking to
C
discover
G (pause)
Any way to play his part inside this darkened cave
Am
Well, the meaning of life it starts in the night-light
C
Close your eyes and I hope you'll see mine
C
I've seen a 1000 things in one place
Bm
And I stopped my counting when I saw
Am
your face
C
Erasing memories well I feel as though
D (break)
I never seen that face before
C
'til I saw your

eyes and they're smilin back at me
Bm
through my tears
Am
I've been counting all this years
Am
Suddenly the 1000 things I've seen were
C
nothing more than dreams of of of you
D (break)
G
and me
C
You and me so quietly at a stand still
G
C (pause)
Fortunately you will...
You will kiss me I will, I will kiss you
C
back on the fact of the matter is
Am
I don't know what the later is oh no way
C
You see I always wanted to kiss you
G
And I always wanted to run from you
C
And I always wanted to miss you
G (pause)
and I always wanted to come for you
Am **C** **D**
So how do you do?
