

# Jason Mraz - 93 Million Miles

Tom: **D**  
Intro: **D G7M Em**

Primeira Parte:

**D**  
93 million miles from the sun  
People get ready, get ready  
**G7M**  
Cause here it comes  
It's a light a beautiful light  
**Em**  
Over the horizon into our eyes  
**D**  
Oh my my how beautiful  
Oh my beautiful mother  
**G7M**  
She told me, son in life you're gonna go far  
**Em**  
If you do it right  
**A**  
You'll love where you are

Primeiro Refrão:

**G7M** **Em**  
Just know, wherever you go  
**A** **D** **G7M** **Em**  
You can always come home

Segunda Parte:

**D**  
240 thousand miles from the moon  
We've come a long way to belong here  
**G7M**  
To share this view of the night a glorious night  
**Em**  
Over the horizon is another bright sky  
**D**  
Oh my my how beautiful  
Oh my irrefutable father  
**G7M**  
He told me, son sometimes it may seem dark  
**Em**  
But the absence of the light  
**A**

Is a necessary part

Segundo Refrão:

**G7M** **Em**  
Just know, you're never alone  
**A** **D**  
You can always come back home  
**G7M** **Em**  
Home, Home  
**A** **Bm** **A** **G7M**  
You can always come ba\_\_\_\_\_ck

Terceira Parte:

**Gbm7**  
Every road is a slippery slope  
**G7M**  
But there is always a hand  
**Gbm7**  
That you can hold on to  
Looking deeper through the telescope  
**G7M**  
You can see that your  
**Ab** **A** **Bb**  
Home's inside of you  
Terceiro Refrão:

**G7M** **Em**  
Just know, that wherever you go  
**G7M**  
No you're never alone  
**A** **D**  
You will always get back home  
**G7M** **Em** **D**  
Home, Home, Home  
**G7M** **Em** **D**  
Oohhh... Oohhh... Oohhh...

Primeira Parte Final:

**D**  
93 million miles from the sun  
People get ready, get ready  
**G7M**  
Cause here it comes  
It's a light a beautiful light
