

# Jason Mraz - Be Honest

Tom: **D**

**D** **Bm** **Em** **Gb7**  
Ok go, go hang your heart on, any tree,  
**Bm** **E**  
You can make yourself available to anybody,  
**Bm** **Em** **Gb7**  
Cause every livin' person knows you are a prize,  
**Bm** **E**  
Whichever way you go I'll be easy to find,  
**Em** **A**  
I don't ask for much, just be honest, with me  
**Em** **A**  
I don't ask for much, be honest

**D** **Bm** **Em** **Gb7**  
Think of this song as a promise you can do what you want,  
**Bm** **E**  
If you decide you wanna move into a new stage,  
**Bm** **Em** **Gb7**  
Deleting me from pages in your mission statement,  
**Bm** **E**  
My love is unconditional, make no mistake,  
**Em** **A** **D** **Bm**  
I don't ask for much, just be honest, with me,  
**Em** **A** **Gm**

I don't ask for much, just be honest, with me,

**D** **Adim7** **Cdim7** **Ebdim7** **Em**  
Who we are, when love is what it wants to be,

**Em** **Gbm** **Gm** **D** **Bm**  
We are free, and we are, having the best day ever by far,

**Em** **A**  
Being treated to the light, like a superstar

**D** **Bm**  
**Em** **Gb7**  
I can hold space while you see what your heart has to say  
about me,

**Bm** **E**  
I acknowledge you for what you do to keep strong,  
**Bm** **Em** **Gb7**  
There's no dotted line to sign away your freedom,  
**Bm** **E**  
I'll always stand beside you, don't get me wrong,  
**Em** **A** **Gm**  
I don't ask for much, just be honest, with me,

**D** **Adim7** **Cdim7** **Ebdim7** **Em**  
Who we are, when love is what it wants to be,  
**Em** **Gbm** **Gm** **D** **Bm**  
We are free, and we are, having the best day ever by far,  
**Em** **A**  
Yes we are.. yes we are..

## Acordes
